(RESERVED)

Dear Kurt,

There's so many things I want to say, but first I'll say hello, hello baby, cause you are mine, you know. I don't want you to be any other one's, you see, cause I happen to love you very, very much and if you were, it would make me very, very sad. This year has been the greatest and you why?, because of one person... you! I really mean it, Kurt, you've just brought me so many things, happiness, friendship, and love... I could go on and on. There's so many things to remember about this year - it just doesn't seem like it is over. I know I'll never forget the day I first saw you at Jenkins when I was with Ann. Just think if Ann & I hadn't gone to Jenkins that day then maybe we would have never met. You know that thought is really a bad one when I think about it now, because I know how wonderful it is having you and I know how terrible it would be without you. When I first saw you that day I never suspected that any of this would have happened. I just pictured you with Ann. Well before I knew, the next day, Fri. night you were at my house talking to me about Ann. That night I felt I knew you bet better. I knew you were someone who cared a lot! (I was right too.) I also knew that you were a nice guy, someone a person could like a lot, I remember how I kept wanting you to play songs for me on my guitar and sing because I loved to hear people do that and also because you could do it well. I thought you were fantastic and you know something, I still do and I'm never going to change my feelings. I remember that Sun. night when Rick & you came over, but not to talk about Ann but to visit. Next thing I knew you were calling me. Well by then I had somehow developed quite a [illegible] for you and I was happy that you had come over that Sunday

night. That Sun. night, I thought at first you were bringing Rick over to meet me but you didn't really act as if you had brought him over for me and I'm glad now that you didn't. I remember when you first asked me out — I was really excited. I was looking forward to it and I was about to die for the weekend to come. At first, after our first date, I was sort of scared of you but you know, Kurt, you proved to be a very gentle and gracious being! I'll never forget how I wished that you would ask me to your Ring Dance. I wanted to go to it with you something fierce. After you asked me, I was really happy. I'd never been to a dance at Jenkins before and I thought it would be a lot of fun. That night was pretty special to me. Well, I think you know why. Out in front of Ginger's house while we were waiting for Rick to get her. I remember everything perfectly. you know, those special words... I really had a great time that night. Remember the next weekend when we went to my school's back to school dance. You asked me to go with you. Wow, I'll never forget. I remember you said you had something for me and when I looked down at your hand there was that big beautiful ring looking up at me. I really didn't believe it. What about the next weekend - Beach Weekend - when I did me lost your ring. I really felt bad about it. I just knew you would be so very very angry, but you weren't an exploding heathen. I was really glad that you weren't mad at me.

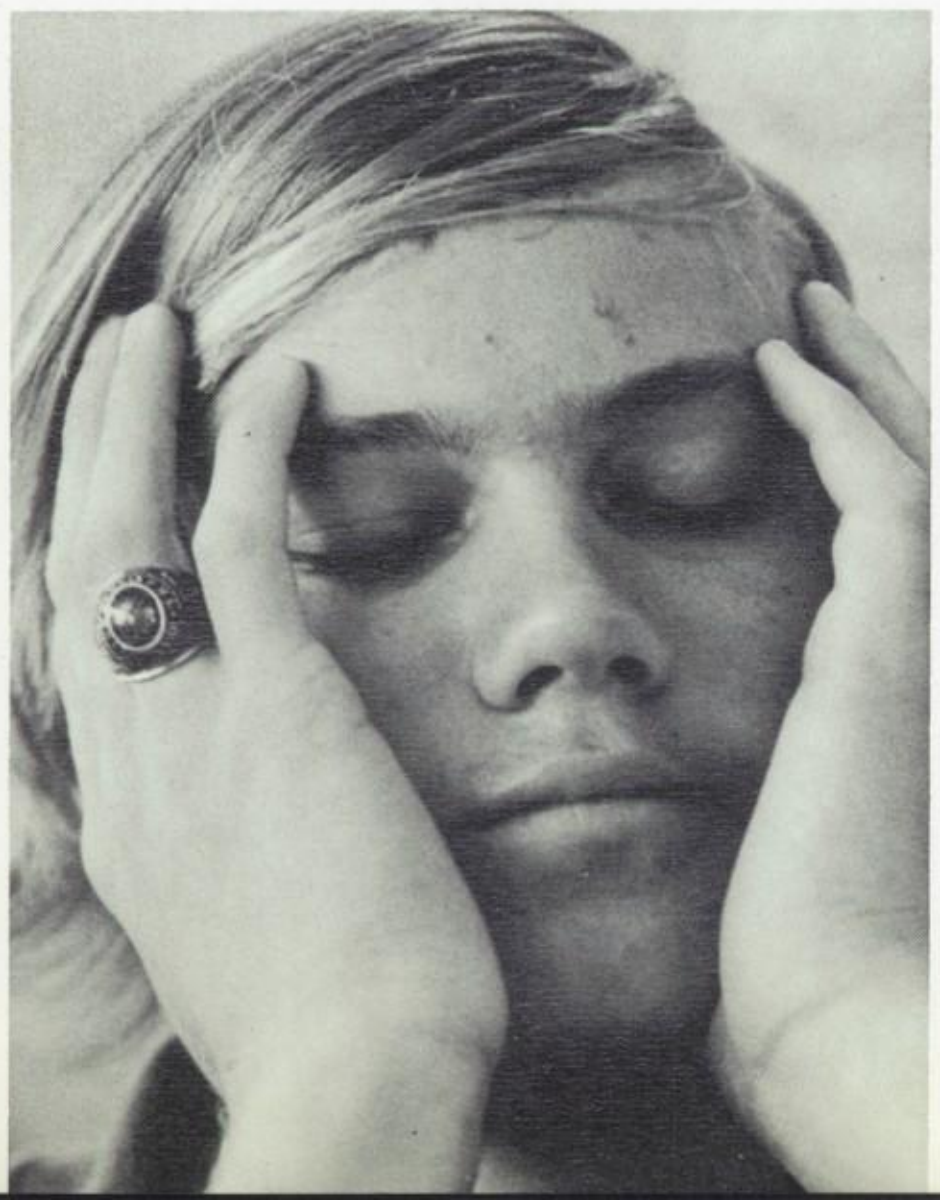
1,650 versions of the same old story . . . The history of the year unfolded as the year progressed. The students were sincere this year — not only in bringing their differences to the attention of the school, but also in resolving those differences.

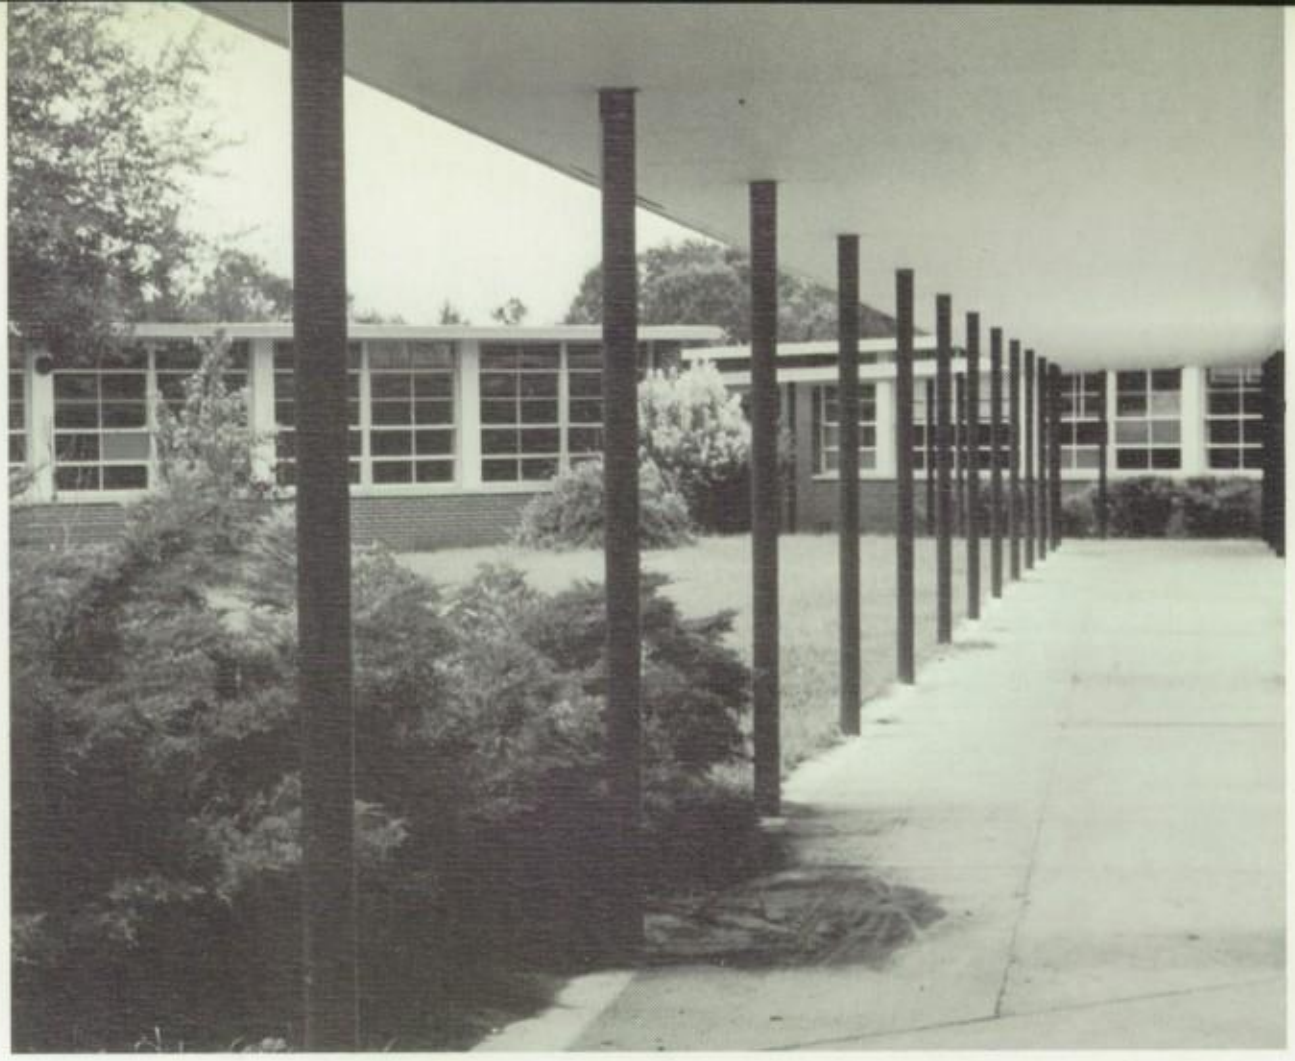
There are two kinds of fools: those who can't change their opinions and those who won't.

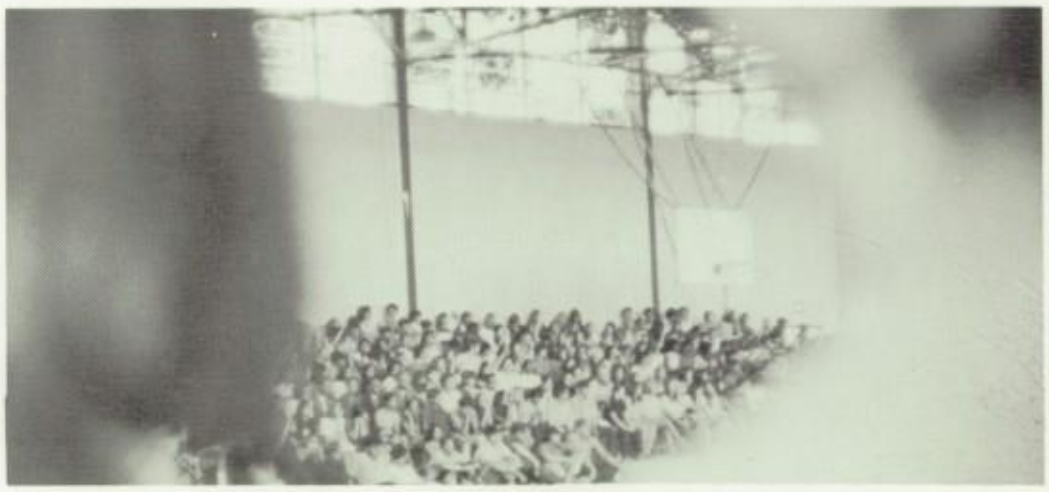


Each of the 1,650 students at H.V.J. told the story of the school in his own way; whether he was an activist, agitator, leader, compromiser, or a member of the silent majority.

Kurt,
It been a great year
Knowing you this past year.
Hope you have a good summer.
Good luck.

Your friend,
Tommy





Each student saw the school in his particular perspective. If he looked beyond the building and the classrooms, he saw the loyalty, the spirit, the friendships, the fans, the true warriors, the trust.

Kurt,
So ends our senior year ...
Definitely unique in many ways -
Our experiences having known you
Have been quite unique (like that S.U.
dance for instance) and I hope to see
you at a munch during the future. Name in
Uhuru and "Hello" for me.
"Hello" for me.

For many years of loyal service; for the individuality which he has shown all students, faculty, and administration; and for the enthusiasm which he has generated at H.V.J. — there is one who is outstanding. Through his efforts he became the binding force and guiding hand to all at Jenkins this year. The SEQUOYAH STAFF expresses grateful appreciation to Mr. James A. Reynolds; Principal.

Jenkins Takes Christmas Tournament Crown

Playing on the 17, 18, and 19 of December, Jenkins beat Richard Arnold, Beach, and Savannah High—thus becoming the first team to ever win a Christmas Tournament at the new Civic Center. Elijah Powell, Hadley Campbell, and Ike Milledge were placed on the All-Tournament Team. Elijah Powell was named as the Most Valuable Player at the Tournament. Off to a Good Start

J.H.S. vs Thompkins

Third straight year Jenkins has beaten punchless Thompkins High School. This year's win was twenty-seven to zero.

J.H.S. vs Coffee County

Jenkins, after being detained in the first quarter, slashed past Coffee County twenty to six.

J.H.S. vs Windsor Forest

Mike Taylor pushed the Jenkins offense to a lone third period score of seven to zero.

Upper left: J.R. is a loyal football fan. **Upper right:** Coaches Attwood and Smith carefully analyze the game. **Above:** THE team.

JHS vs Jesup

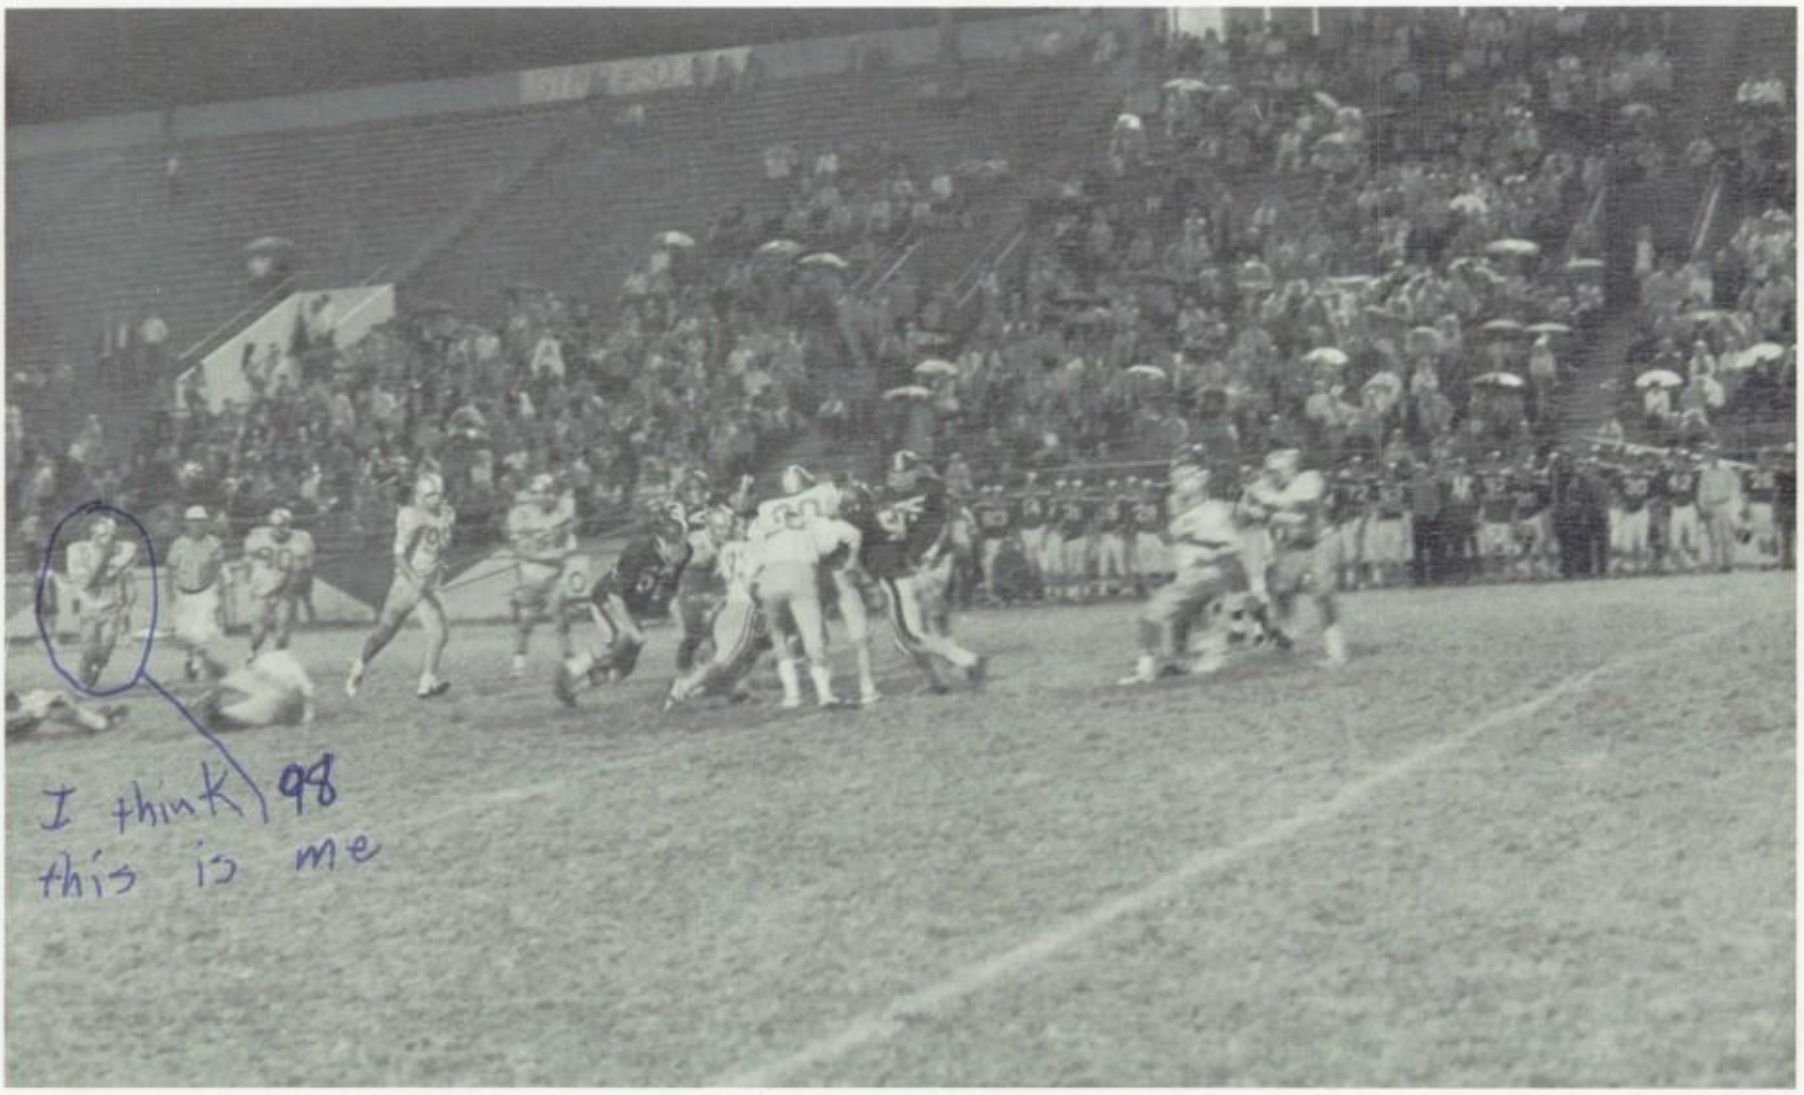
Jenkins first defeat of the season was to Wayne County, nineteen to six. The only Warrior score was made by Jeff Hester on a ten yard run.

JHS vs Groves

Warriors went down fighting as the Groves Rebels ran away with the game. The final score was twenty-one to zero.

JHS vs SHS

The Warrior defense gallantly held old rival SHS to a lone 4th quarter score, but offense failed to come back with a T.D. The game ended six to zero, in favor of SHS.



Upper: John Willoughby rests between plays. **Lower:** Warrior crushes Atomsmasher.

Fighting Warriors Pick up Big Wins

JHS vs Brunswick

After failing with an air assault in the first half, Jenkins took to the ground for three scores. Jenkins won with the final score of twenty-eight to fourteen.

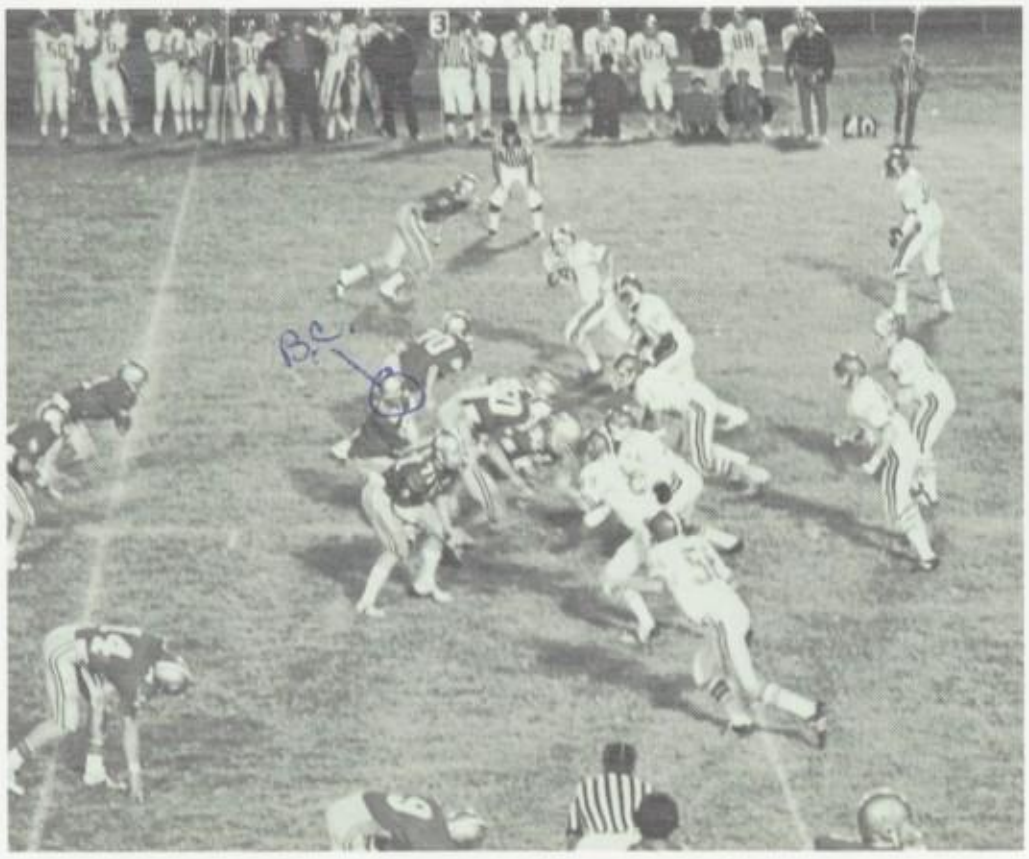
JHS vs Johnson

Scoring in every quarter, Jenkins rolled over the Atomsmashers. Mike Taylor and Jeff Hester each made two touchdowns. Barry Stephens intercepted a Johnson pass and ran 30 yards for a touchdown. The final score was thirty-five to twelve.

JHS vs Benedictine

The kind-hearted Jenkins offense took pity on the Cadet defense and only made them play for thirteen seconds in the first quarter. Not wanting to be too easy on them, the Warriors lost only two fumbles and let B.C. have three touchdowns. The game ended twenty-one to zero.

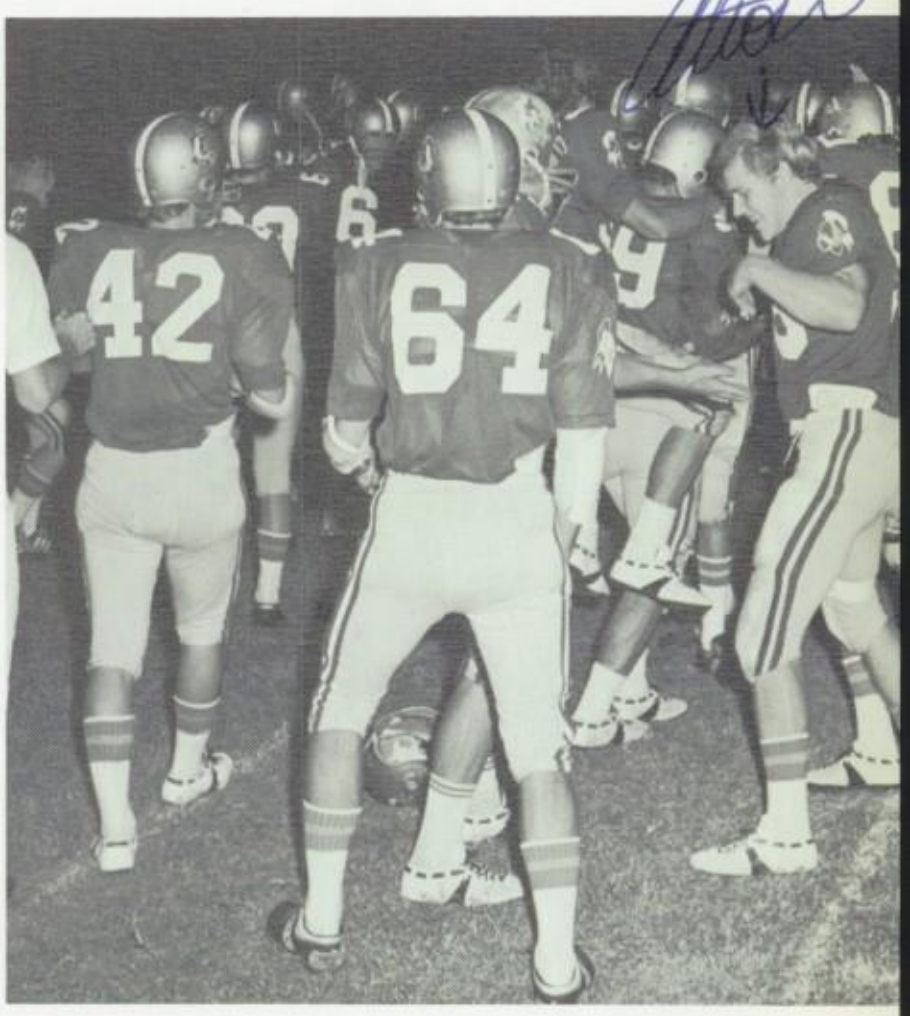
Top: The onlooking defense awaits a touchdown. **Upper:** Uh-oh, was the head supposed to come off like that? **Above:** Coach Boyd gives Tim Remley "fatherly advice".



Kurt,

Well you and Diane have made it through a school year. This year has really been exciting with all the "riots". A memorable year!!! Take care of yourself over the summer & may you and the St. Vin. chick have a happy marriage. (You wish)

Lovable Always,
BRUCE



Upper left: The great quarterback sneak. **Upper:** The last of the big time jocks. **Left:** The ball is snapped and the offense goes into action. **Above:** Victory is sweet.

Homecoming Victory Ends Season

J.H.S. vs Waycross

Jenkins was again victorious at the homecoming game. Mike Taylor made two touchdowns and Jeff Hester made one. The offense stacked up a total of 310 yards running. Waycross got by with one touchdown, but it wasn't enough. The final score was twenty-one to seven.

Upper left: Gene Dotson, as seen through the eyes of the Key Club. **Above:** Warrior defense moves in for an attack. **Right:** Jenkins' offense marches down the field. **Left:** Defensive player, Barry Stephens, watches the offense to make sure it takes care of the ball.

Kurt,

It's been a real experience sitting next to you in English. You have many original ideas. We have had the pleasure of getting to know the Vadettes + I know you've snagged a good one. Lots of luck in college Don't get caught in the rigging,

Mike Taylor

Why on earth would they use paper to help launch a moon shot?

The paper is used in this 327-foot Apollo service tower. As honeycomb panel cores. Laminated to aluminum "skins".

The panels form the enclosing wall of the 120-foot-wide tower base. And the huge hinged gates which open and envelop the rocket during servicing.

Why paper honeycomb? Because it's incredibly strong. And incredibly light. The giant gates swing easy. And precious pounds are saved in the 32-story structure whose weight can flatten the railroad wheels below when they are not in motion.

Union Camp honeycomb has hundreds of other uses—in both commercial and residential construction. Everything from floors to walls and to roofs. Even the sky isn't the limit.

The paper for Union Camp's Honeycomb is manufactured at the huge Savannah Complex, the world's largest pulp-to-container plant.

AUTHENTIC SHIP HATCH COVER TABLES

These hatch covers are taken from old cargo vessels that have sailed the trade routes of the world. Thick 2½ inch planks of Pine, Fir, and Hemlock weathered by time, rain and ocean spray combined with their AUTHENTICITY STYLE and LIMITED NUMBER, will make them a TRUE COLLECTORS ITEM. They have galvanized iron bindings, cast aluminum and strong wooden legs which give them everlasting DURABILITY.

IF YOU'RE NOT
PART OF THE
SOLUTION
YOU'RE PART
OF THE
PROBLEM!

1972 comes together . . . .

1,650 students trying to come together . . .

WE CAN WORK IT OUT
TOGETHER

HERSCHEL V. JENKINS HIGH SCHOOL

You, the student, told the story of the year at Jenkins High in 1972. It was a trying year, but hopefully a year of coming together.

1,650 versions of the same old story . . . a story to be remembered . . .

(RESERVED)

Kurt,

God, what can I say? You're one of the greatest guys I know (Diane got the best - so did you)

This has been one hell of a year. I can't believe it's finally over. Just think, next year you'll be off at college. I hope you'll keep in touch thru Diane.

Kurt, don't ever change - people love you the way you are. You're a <u>real</u> person, never change.

I wish you & Diane all the happiness & luck in the world. If anybody deserves it, y'all do.

Friends forever,

VIA VITA! ~B

Jill

From the halls of Jenkins High School
Comes this solemn vow
Onward, onward is our motto
You have taught us how.

Alma mater, we are pledging
Love and loyalty
Through the years we will be faithful,
Jenkins High, Hail to thee.
